

**Subpart G—West Coast  
Groundfish—Recreational Fisheries**

SOURCE: 75 FR 60995, Oct. 1, 2010, unless otherwise noted.

**§ 660.350 Purpose and scope.**

This subpart covers the Pacific Coast Groundfish recreational fishery.

**§ 660.351 Recreational fishery—definitions.**

These definitions are specific to the recreational fisheries covered in this subpart. General groundfish definitions are defined at § 660.11, subpart C.

*Bag limit* means the number of fish available to an angler.

*Boat limit* means the number of fish available to for a vessel or boat.

*Hook limit* means a limit on the number of hooks on any given fishing line.

**§ 660.352 Recreational fishery—prohibitions.**

These prohibitions are specific to the recreational fisheries. General groundfish prohibitions are found at § 660.12, subpart C. In addition to the general groundfish prohibitions specified in § 660.12, subpart C, of this chapter, it is unlawful for any person to:

(a) Sell, offer to sell, or purchase any groundfish taken in the course of recreational groundfish fishing.

(b) Use fishing gear other than hook-and-line or spear for recreational fishing.

**§ 660.353 Recreational fishery—record-keeping and reporting.**

Recordkeeping and reporting requirements at § 660.13 (a) through (c), subpart C, apply to the recreational fishery.

**§ 660.360 Recreational fishery—management measures.**

(a) *General.* Federal recreational groundfish regulations are not intended to supersede any more restrictive state recreational groundfish regulations relating to federally-managed groundfish. The bag limits include fish taken in both state and Federal waters.

(b) *Gear restrictions.* The only types of fishing gear authorized for recreational fishing are hook-and-line and spear. Spears may be propelled by hand or by

mechanical means. More fishery-specific gear restrictions may be required by state as noted in paragraph (c) of this section (*e.g.* California's recreational "other flatfish" fishery).

(c) *State-specific recreational fishery management measures.* Federal recreational groundfish regulations are not intended to supersede any more restrictive State recreational groundfish regulations relating to federally-managed groundfish. Off the coast of Washington, Oregon, and California, boat limits apply, whereby each fisher aboard a vessel may continue to use angling gear until the combined daily limits of groundfish for all licensed and juvenile anglers aboard has been attained (additional state restrictions on boat limits may apply).

(1) *Washington.* For each person engaged in recreational fishing off the coast of Washington, the groundfish bag limit is 12 groundfish per day, including rockfish, cabezon and lingcod. Within the groundfish bag limit, there are sub-limits for rockfish, lingcod, and cabezon outlined in paragraph (c)(1)(i)(D) of this section. The recreational groundfish fishery is open year-round except for lingcod, which has season dates outlined in paragraph (c)(1)(iv) of this section. In the Pacific halibut fisheries, retention of groundfish is governed in part by annual management measures for Pacific halibut fisheries, which are published in the FEDERAL REGISTER. The following seasons, closed areas, sub-limits and size limits apply:

(i) *Recreational groundfish conservation areas off Washington—(A) North coast recreational yelloweye rockfish conservation area.* Recreational fishing for groundfish and halibut is prohibited within the North Coast Recreational Yelloweye Rockfish Conservation Area (YRCA). It is unlawful for recreational fishing vessels to take and retain, possess, or land groundfish taken with recreational gear within the North Coast Recreational YRCA. A vessel fishing in the North Coast Recreational YRCA may not be in possession of any groundfish. Recreational vessels may transit through the North Coast Recreational YRCA with or without groundfish on board. The North Coast
